Product description:

Our standard solutions meet most needs

We know no two customers are alike, which is why you can choose from a range of standard solutions or customised dishes and packaging upon request.

As a leading satellite dish manufacturer, we offer "one-stop-shopping" with all accessories needed to get the installation right.

We have also made installation quick and easy, as many parts are pre-mounted on the dish meaning few tools are needed.

- Size (height) 110 cm
- Colours - RAL 7035
- Acc. bags - 6-edge flange nut with 1 or 2 mastclamps depending on dish size
- Packaging: Single pack

All TRIAX dishes are manufactured in galv. steel and are supplied with mounting kit and TRIAX logo on the reflector. All standard LNBs can be fitted and our range of wall brackets provide different options for your installation.
